

General Advising Information

Revision 1: 3/29/2021

Fall 2021 student registration access will be activated according to your current standing—determined by credit hours completed—and the following schedule:

1. Mon, April 12, 8:30am: Student athletes, ROTC students, and students with disabilities
2. Tues, April 13, 8:30am: Graduate & U5 (5th Year Undergrad) & U4 (4th Year Undergrad) registration starts
3. Wed, April 14, 8:30am: U3 (3rd Year Undergrad) registration starts
4. Thurs, April 15, 8:30am: U2 (2nd Year Undergrad) registration starts
5. Fri, April 16, 8:30am: U1 (1st Year Undergrad), exchange, visiting, and non-degree student registration starts

Student class standing for registration is based on earned hours, which **does not include** classes taken in the Spring 2021 semester.

Fall 2021 class schedules are officially available Monday March 22. You can view the class schedule either in the MyIIT Academics tab or in the “quick links” on www.iit.edu; you can also use the “secret faculty version” of the schedule at <https://wildfly-prd.iit.edu/coursestatusreport/>; just select your subjects from the drop-down box. In order to see **ALL** ITM courses using MyIIT drop-down menus, you must hold down your CTRL key and select Information Tech and Mgmt, ITM Development, ITM Management, ITM Operations, ITM Security & ITM Theory and Technology.

Due to the COVID-19 contingency plan now in effect, all advising for Fall and Summer 2021 will take place online. Google Meet information for each undergraduate adviser is provided below.

For Professor Trygstad’s Advisees: You may schedule an appointment at <http://trygstad.rice.iit.edu/appointment/> but *please* ensure you log into the Google Meet at or before your scheduled time in order to be fair to your fellow students. Oh and by the way, I wrote these notes so I am responsible for them.

Professor Trygstad Fall 2021 Advising Google Meet:

URL: <https://meet.google.com/bjt-cvvh-uib> | Code for mobile apps: [bjtcvwhuib](https://meet.google.com/bjt-cvvh-uib)

Phone Number (US)/PIN: +1 262-448-3014 / PIN: 759 224 256#

You cannot make an appointment during my *scheduled office hours* (3 pm – 5 pm Monday and Wednesday) or on Fridays. **Just log in to the Meet** and say something so I hear you are there; I may not be on that screen. If I am not logged into the Meet on Fridays it mean I am working or are in meetings and am not available. Evening advising is unlikely but, along with advising at a location other than online, can only be arranged by appointment via email.

For Professor Hajek’s Advisees: Professor Hajek is available for advising on the following schedule:

Monday / Wednesday	1:00 am – 11:00 am
Tuesday / Thursday	12:00 noon – 3:30 pm
Friday	1:00 pm – 4:00 pm

Professor Hajek Fall 2021 Advising Google Meet

URL: <https://meet.google.com/kif-efci-kjy> | Code for mobile apps: [kifefcikjy](https://meet.google.com/kif-efci-kjy) | Please make sure you are logged into your @hawk.iit.edu email, otherwise Google Meets will give you a message that you are waiting for an invite—but there is no way for me to see the invite or let you in.

Phone Number (US)/PIN: +1 917-336-4038 / PIN: 380 145 903#

You can make an appointment with Professor Hajek at at <http://hajek.youcanbookme.com>.

Fall & Summer Course Section Codes for Instructional Methods

Due to the COVID-19 pandemic, new codes attached to section numbers indicate the instructional method of the course. All Information Technology and Management courses are **Hybrid (S)** or **Online (V)**. Please note that ITM section numbers with no code are also **online only**.

Code	Instructional Method	Instructional Method Full Name	Description
A	Hybrid (A)	Hybrid Asynchronous	Lecture capture. If enrollment exceeds room capacity with social distancing restrictions, faculty will establish an alternating attendance schedule that will allow a substantial in-person experience for non-distance learners. Non-distance learners are expected to attend live when scheduled, and watch lectures electronically on other days.
S	Hybrid (S)	Hybrid Synchronous	All classroom activities (audio and video) will be able to be seen and heard by students regardless of their location. The course will have a meeting pattern. If enrollment exceeds room capacity with social distancing restrictions, faculty will establish an alternating attendance schedule that will allow a substantial in-person experience for non-distance learners. Non-distance learners are expected to attend live when scheduled, and attend remotely on other days. This technology allows for asynchronous attendance as well (if approved by the instructor.)
none	In Person	Traditional In Person	Fully on-campus in a classroom with social distancing. Distance Learners should not enroll.
V	Online (V)	Online	Course structure will vary by instructor. Physical attendance is not required. Can be linked in Blackboard to a Hybrid (S/A) course.
D	Discussion	In Person Discussion	Some AAH and HIST courses have discussion sections in addition to the lecture section.

MATH for BITM Undergrads

BITM students may register for **PSYC 203, Undergraduate Statistics for Behavioral Science** which includes a lab using R, or **MATH 225 Introductory Statistics** which is basically the same course as **PSYC 203** without the lab. If you are minoring in Psychology you must take PSYC 203. Alternatively you can wait for Spring and register for **BUS 221 Business Statistics** or **MATH 425 Statistical Methods** which are not being offered this semester.

MATH for BSACIT Undergrads

First-year students should register for **MATH 148 Preparation for Calculus** or **MATH 151 Calculus I** as appropriate., or **MATH 151 Calculus II** if you have completed **MATH 151**. Students who have completed calculus I & II (MATH 151 & 152) should take **MATH 251 Multivariate and Vector Calculus**.

ITM First Year Undergraduate (Freshman) Advising

All ITM first-year students need to take a Natural Science/Engineering elective which this semester should be **PHYS 200 Energy, Waves, Materials, & Forces**.

All ITM first-year students should also take an introductory Humanities course, **HUM 200** or **203**, or **COM 101** if required.

Most of your classmates will be taking an Introduction to the Profession (ITP) course numbered 100 (i.e. CS 100, CAE 100, ME 100, etc.) but our course, **ITM 100**, is taken in the first semester of your second year. Instead you'll probably take ITM 301, Intro to Hardware and Operating Systems, and ITM 313, Intro to Open Source Programming (Python).

ITM Current Second Year Undergraduate (Sophomore) Advising

Sophomore (U-2) Bachelor of Information Technology and Management students who entered the program as first year undergraduates (freshmen) need to start thinking about a minor, as completion of a minor is required in your ITM program. It can be anything you want—I do think it's amazing to see someone in IT minor in philosophy—but you really need to start thinking about this. An interesting minor with a strong relationship to ITM is Supply Chain Management. Psychology is the most popular ITM minor. Bachelor of Science students are not required to complete a minor, nor are transfer student or students who changed majors with more than 30 hours of credit transferred or completed.

Second year students who have completed three semesters at IIT may want to consider applying for the Co-Terminal Degree program, which would allow you to earn a Master's degree while you are an undergraduate; speak with your adviser for more details.

All second year students must register for **ITM 100 Introduction to the Profession** in the Fall semester, and if you've completed ITM 311 and ITM 313 you need to take **ITMD 411** if you have not done so already.

ITM Current Third Year Undergraduate (Junior) Advising

Junior (U-3) Bachelor of Information Technology and Management students who entered the program as first year undergraduates (freshmen) should be two or three courses into your minor since completion of a minor is required in your ITM program. If you are not, you *seriously* need to talk to your advisor about this. Also, transfer students who have completed a semester at IIT may want to consider entering the Co-Terminal Degree program, which would allow you to earn a Master's degree while you are an undergraduate; speak with your adviser for more details

All transfer students who have entered the program since Fall 2017 who have not taken it must register for **ITM 100 Introduction to the Profession**.

Humanities General Education Elective Selection

Here are Professor Trygstad's recommendations for Upper-Level Humanities General Education electives for Fall 2021 with my reasons. We can't promise a course will be good; we're just trying to highlight the courses we believe would be of the most interest to ITM students. There are a number of courses we think will interest you this term, and there's a few evening humanities courses offered, so if you work full-time, grab one while you can! All courses are at Mies Campus or online, and most sections have 22 seats. All course data follows the format:

CRN/Course Number/Days-Time/# of Seats/Bldg-Room/Instructor

Persuasion: Interesting course taught by one of the best teachers at Illinois Tech.

14444/COM 371-01/Tues-Thur 3:35pm-4:50pm/22/Mies -/Greg Pulliam

Mass Media in Society: Compelling topic, great instructor.

14445/COM 372-01/Mon-Wed 3:35pm-4:50pm/22/Mies -/Greg Pulliam

World Regions and Cultures: Good course taught by a consistent favorite of ITM students. **Evening course!**

14450/HIST 302-01/Thurs 6:45pm-9:35pm/22/Mies -/Val Martin

The City in World History: Again, Val Martin.

11894/HIST 351-01/Mon 6:45pm-9:35pm/22/Mies -/Val Martin

History of Chicago: Really interesting course, plus she is the University Archivist and Campus Historian at Illinois Tech.

14455 HIST 352-01/3/Tues-Thur 5:10pm-6:25pm/22/Mies -/Mindy Pugh

History of Video Games: The most popular humanities course in the university from an expert in the field. Has three different discussion sessions on Friday. You'll have to be quick to register to get in this one.

14456/HIST 373-01/3/Mon-Wed 9:40am-10:30am/60/Mies -/Carly Kocurek (Lecture)

14457/HIST 373-D01/0/Friday 9:40am-10:30am/20/Mies -/Carly Kocurek (Discussion)

14458/HIST 373-D02/0/Friday 11:15a-12:05pm/20/Mies -/Carly Kocurek (Discussion)

14459/HIST 373-D03/0/Friday 2:00pm-2:50pm/20/Mies -/Carly Kocurek (Discussion)

Ethics and Technology: Great topic for ITM; good complement to ITMM 485 which we will offer in the Spring. **Online!**

14463/PHIL 380-V01/Tues-Thur 9:40am-10:55am/22/Mies -/Deborah Haar

AI Ethics: Another great topic for ITM; also good complement to ITMM 485.

14464/PHIL 381-01/Tues-Thur 2:00pm-3:15pm/22/Mies -/Elisabeth Hildt

Social and Behavioral Science General Education Elective Selection

Here are my recommendations for Social and Behavioral Science General Education electives for Fall 2021 with my reasons. All courses are at the Mies Campus unless noted otherwise. The Subject Code *SSCI* is applied to courses that formerly were cross-listed as both Political Science and Sociology, and can count as either for prerequisite and subject distribution purposes. All course data follows the format:

CRN/Course Number/Days-Time/# of Seats/Bldg-Room/Instructor

Comparative Public Policy: A lot of IT and much of cybersecurity is shaped by policy. Good instructor.

12918/PS 313-01/Tues-Thur 9:50am-11:15am/27/Mies -/Rebecca Steffenson

Introduction to the Sociology of Space: Great course taught by a great instructor, and if you like it there's a follow-on 300-level project course. And, it's an **evening social science course**.

12074/SOC 211-01/Wed 6:45pm-9:35pm/27/Mies -/Ullica Segerstrale

Social Dimension of Science: Interesting class taught by one of the best instructors at IIT. An **evening social science course**.

14195/SOC 301-01/Tues 6:45pm-9:35pm/27/Mies -/Ullica Segerstrale

Global Chicago: A look at Chicago's place on the world stage. I recommend this course but I do not recommend this instructor.

11517/SSCI 220-01/--/27/TBA/Elizabeth Friedman

Geographic Information Systems: A strongly IT-related course; good to have on a resume. You can follow it up with *SSCI 325*.

11833/SSCI 225-01/on 2:00pm-4:50pm/27/Mies -/Hao Huang

Industrial Psychology: This course is highly recommended and professionally relevant. And no prerequisite!

10449/PSYC/301-01/Tues-Thurs 5:10pm-6:25pm/49/Mies -/TBA

WARNING I have not listed them, but you may notice that there are two online Social/Behavioral Science electives in the fall term: **ECON 423-02 Economic Analysis of Capital Investments** and **PSYC 481-02 Group & Leadership at Work**. I do not recommend either class either live or online, despite the extreme scarcity of online general education electives. This is because experience has shown that if you take one of these courses and four other classes, *ECON 423* or *PSYC 481* will be as much work as your other four classes combined. I like John Twombly who teaches *ECON 423* and Roya Ayman who teaches *PSYC 481* and you probably would too—they are excellent teachers—but their expectations are extremely high as is the workload in their classes. If you really need to do a social science elective online AND you are not afraid of hard work (really hard work), then GO FOR IT.

Natural Science/Engineering Elective Selection

Here are my recommendations for Natural Science/Engineering General Education electives for Fall 2021 with my reasons. All courses are at the Mies Campus or online. All course data follows the format:

CRN/Course Number/Days-Time/# of Seats/Bldg-Room/Instructor

Astronomy: If you are completing most of your Natural Science/Engineering requirement through the Engineering Graphics track but need that one course in a different subject, this could be your choice.

11679/PHYS 120-V01/Mon-Wed 9:40am-10:55am/40/Online -/David Gidalevitz

Introduction to Energy, Waves, Materials, & Forces: A four-hour, non-calculus-based physics class. HIGHLY recommended.

10068/PHYS 200-01/Tues-Thur 11:15am-12:55pm/98/Mies -/Sally Laurent-Muehleisen

If you are following the EG sequence for your Natural Science/Engineering requirements, you should note that **EG 325** and **EG 425** are also offered this term.

Recommendations for Free Elective Selection

I have listed some free electives in the course listings below, and of those I recommend **COM 424 Document Design**.

Fall 2021 IIT Core Curriculum Elective Listing, Fall 2021 ITM Course Listing, Summer 2021 Course Listing for ITM Undergrads

I have included a complete list of what I view as all the applicable IIT Core Curriculum courses for the Spring so you don't have to track them all down yourself. I've also included all ITM undergrad and graduate courses and INTM courses for the Spring. Industrial Technology and Management (INTM) courses can apply to the INTM or Supply Chain minors, or with adviser permission can be taken as ITM electives.

There's also a listing of courses of interest to ITM undergrads from all departments. Summer is a good time to catch up with courses disrupted by all that we've had going on in our lives in the past year. Ask your adviser for advice on this. Of particular note for all IT undergrads are offerings of **MATH 180** (BITM) and **MATH 230** (BSACIT).

ITM "Featured" Electives for Fall 2021

Hot ITM electives for the Fall term. All course data follows the format:

CRN/Course Number/Days-Time/# of Seats/Bldg-Room/Instructor

Web Real-Time Communication: Learn how all this web video and voice works! Professor Stolley is just publishing a new textbook on the topic.

13908/ITMD 469-01/Mon/Wed 2pm-3:15pm/8/TBA/Karl Stolley

13909/ITMD 469-V02/Internet/4/Online/Karl Stolley

Shell Scripting for System Administration: Shell scripting in BASH, Perl, and Powershell to ease sysadmin tasks in all of the major operating systems. Taught by Sam Shamsuddin who is not only an experienced sysadmin but also a martial arts guru!

11395/ITMO 417-01/Tues 5:10pm-7:50pm/13/Mies/Sam Shamsuddin

11396/ITMO 417-V02/Internet/10/Online/Sam Shamsuddin

Cloud Computing Technologies: One of the most sought-after skills for new hires and a true indicator that you are a complete technology professional. Prerequisites are *ITMD 411* and *ITMO 356*.

12113/ITMO 444-V01/Mon-Wed 3:35pm-4:50pm/10/Online -/Jeremy Hajek

12114/ITMO 444-V02/Internet/5/Online -/Jeremy Hajek

Database Security: The subject of how to secure enterprise data assets. Prereq is ITMD 321.

11218/ITMS 428-V01/Mon 6:45pm-9:35pm/5/Online -/Kevin Vaccaro

11219/ITMS 428-V02/Internet/5/Online -/Kevin Vaccaro

Enterprise End-User System Administration: Administering Windows desktops, clients, and domains. Professor Matuszak holds three degrees from our department.

12219/ITMO 450-S01/Thur 6:45pm-9:35pm/14/Mies -/Philip Matuszak

12220/ITMO 450-V02/Internet/4/Online -/Philip Matuszak

Open Source Server Administration: Deploying and managing Linux servers in a modern enterprise setting. Meets Tues/Thur but has different end times.

12947/ITMO 453-01/Tues 9:40am-10:55am/10/TBA/Jeremy Hajek

/Thur 9:40am-11:15am/

Vulnerability Analysis & Control: The “ethical hacking” class. Prereq is ITMO 340; ITMO 356 is preferred as well.

12121/ITMS 443-S01/Tues 6:45pm-9:35pm/8/Mies -/Kevin Vaccaro

12122/ITMS 443-V02/Internet/5/Online -/Kevin Vaccaro

Cyber Security Management is an in-depth look at the program creation, administration and management elements of information security at an enterprise level. It's a required course for ACIT students. Regardless of you major, if you are going to do a Co-Terminal Degree in cybersecurity, select ITMS 578 instead—same time, location, and instructor. If you are only going to take one other cybersecurity course beside the required ITMS 448, this should be the one.

11228/ITMS 478-S01/Thurs 6:45pm-9:35pm/8/TBA/Ray Trygstad

11229/ITMS 478-V02/Internet/5/Online/Ray Trygstad

Digital Evidence: Required for BSACIT students. Prereq is ITMS 438; if you taken that, and you're an Applied Cybersecurity and IT major, take this.

13895/ITMS 483-V01/Thur 6:45pm-9:35pm/10/Online -/Bonnie Goins

13896/ITMS 483-V02/Internet/5/Online -/Bonnie Goins

ITMS courses: There is large number of ITMS courses this term: **ITMS 428, ITMS 443, ITMS 448, ITMS 458, ITMS 478, ITMS 483, ITMS 514, and ITMS 588.**

Key Forms from Undergraduate Academic Affairs (UGAA)

Academic Audit Request Form: An academic audit provides a summary of a student's academic status to date and lists the courses to be completed in order to receive a degree. Students can request an official academic audit from the Office of Undergraduate Academic Affairs after they have earned a minimum of 60 semester hours including transfer credit (90 semester hours for Architecture students), and completed at least one semester at Illinois Tech. Audits typically take 7-10 business days to process, but may take longer depending on the time of the semester.

This is the form you need to submit if you want to know what you have left to do to graduate. <https://iit.secure.force.com/form?formid=217960>

Change of Major Request Form: A student who wishes to change or declare a major must complete a Change of Major form. The form will be sent to the department of the intended major for approval. Any change of major that is approved after the Add/Drop deadline will be processed for the following semester. <https://iit.secure.force.com/form?formid=217961>

Change of Status Request Form: Students changing from non-degree status to full-time or part-time degree-seeking status must submit this Change of Status form. Students must have completed at least one semester (12 hours) of relevant coursework at Illinois Tech and must be in good academic standing in order to be eligible for changing their status. <https://iit.secure.force.com/form?formid=217962>

Course Retakes for Grade Replacement: A limit of 3 grade replacements for 100/200 level courses and 3 grade replacements for 300/400 level courses for undergrads. Grade replacement used to be automatic if you retook a course that you had previously failed but it is no any longer—you *have* to submit the form. Register for the course and then fill out the form at <https://iit.secure.force.com/form?formid=217920>

Dual Degree/Double Major Request Form: Students who wish to earn two undergraduate degrees can declare a Dual Degree. Students working towards a Dual Degree must complete 15 hours above and beyond those required for their first degree. Upon graduating, the student will receive two diplomas. (*Psychology is the simplest major to pair with the Bachelor of Information Technology and Management for a dual degree.*)

Students who wish to earn two undergraduate degrees can declare a Double Major. This is different from the Dual Degree listed above. Only students majoring in Applied Analytics, Applied Mathematics, Computer Information Systems, Global Studies, Humanities, and Psychological Science are eligible to declare a Double Major, so this does not apply to students in the Department of Information Technology and Management. Upon graduating, the student will receive one diploma with both degrees posted.

The form will be sent to the department of the intended 2nd major for approval. Any Dual Degree or Double Major that is approved after the Add/Drop deadline will be processed for the following semester. <https://iit.secure.force.com/form?formid=217963>

Letter of Intent Request Form: Students in their last semester can request a Letter of Intent for prospective employers or graduate schools. The Letter of Intent will state that a student will graduate that semester upon successful completion of that semester's coursework. <https://iit.secure.force.com/form?formid=217966>

Minor Request Form: A minor consists of at least five courses (minimum of 15 credit hours) not required for a degree program. Students who take the standard core curriculum's distribution of courses may apply them toward the requirements of any approved minor. Note that not all minors are applicable to all majors. (Minors are required for Bachelor of Information Technology and Management students unless you are a transfer student or changed majors after completing 30 or more hours.) <https://iit.secure.force.com/form?formid=217964>

Reinstatement Application: All undergraduate students who were not in attendance for at least one semester must submit this application to return to the university. The deadlines for the application are June 15 for the Fall semester, November 15 for the Spring semester or April 15 for the Summer term. <https://iit.secure.force.com/form?formid=217965>

Transfer Credit Petition Form: An undergraduate student registered at Illinois Tech who wishes to enroll at another institution must submit a Transfer Credit Petition Form to the Office of Undergraduate Academic Affairs for approval prior to registration at the other institution. This includes registration at another institution for the summer term. Upon completion of the course, please have your official transcripts sent to Illinois Tech. **This is the only effective form now; the paper or PDF form may not be used any more.** <https://iit.secure.force.com/form?formid=217932>

Links to all of these forms can always be found on the Undergraduate Academic Affairs UGAA Services page at <https://web.iit.edu/ugaa/services>.
